CERTIFICATE of ANALYSIS

Product Code: [33810-Phe](#)

Product Description: Ammonia Leak Detection Strips (Phenolphthalein).

These test strips are treated with a solution containing Phenolphthalein.

If ammonia is present, the test paper will turn from white to a pink/fuchsia color.

Each batch of test paper is tested before release for sale.

A positive color change of batch master sample is required before the paper is approved for release.
