CERTIFICATE of ANALYSIS

Product Code: [33813-U8](#)

Product Description: Universal pH Test Paper

The papers are impregnated with solutions of acid/base indicators. There are no established health hazards, and the sheets are stable if stored properly (protected from sunlight and excessive heat).

The papers are tested for precision and accuracy using certified buffer solutions.

Each batch of test paper is tested before release for sale. A positive color change of batch master sample is required before the paper is approved for release.
