1. Send artwork by email but do not compress files with WinZip or Stuffit.
2. All Mac files must be converted for use on a Windows platform.
3. Artwork should "Vector" format created in the programs listed below.
4. CorelDraw 13 or earlier with cdr extension; Adobe Illustrator CS 10 or earlier as .ai, .eps or .pdf.
5. All fonts/text must be converted to Curves for Corel Draw or Outlines for Adobe Illustrator.
6. All art must be on one layer and not locked.
7. Pantone Match charge is per color & requires a white underlayer for black linen testers. i.e. there is a 2 color minimum including the white.
8. Artwork charges apply only if redrawing is required. Minor layout changes are no charge.
